_____ **I would prefer to choose my own size.** Please order me a size _____.

_____ **I would like a bridal consultant to help** determine which size would be best based on the measurement provided below and from the manufacturer's size chart. Please note that unless measurements are exactly the same as the manufacturer's size chart, you will need alterations. The dress is not cut to your measurements. Please be aware that there is usually a small seam allowance in bridesmaid dresses which makes it harder to let out then to take in. If you are in between sizes, we suggest you go the larger size and take in where needed.

Normal Dress Size: _____ Height: _____ Shoe Size: _____

Bust: _____ Waist: _____ Hips: _____

(Measurements for bust should be done around the fullest part of the bust-do not use bra size; Measure around the smallest part of your torso-usually above the belly button for the waist measurements; Measure around the fullest part of your hip/butt area)

If I am over 5'8", I have chosen to (check one):

_____ **Order extra length at an additional cost.** I understand that the dresses are not cut to my height so I may have to have a hem after the dress comes in to achieve the proper length.

_____ **NOT order extra length.** I understand that if the dress is too short, I will not hold the store responsible. I also understand that I will not be able to exchange the dress or get reimbursed for alteration charges to fix the dress. I am aware that the sample dresses may vary in length due to the nature of certain fabrics (stretching), the manufacturing process, etc. I should not base my decision on how the sample length fits me.

A Storybook Ending Bridal Salon Store Policies on Special Orders

Please fill out the following:

I have agreed on _____ size for my dress. The staff at the store can only recommend a size, but the size I am choosing is my choice. I understand that more than likely, I will need alterations done to achieve the fit that I desire. I understand that if I fluctuate in weight from today, there may be additional alteration charges to make the dress fit properly due to weight gain/loss (i.e. extra fabric to make dress bigger).

_____ (please initial) I understand that if I do not end up needing the dress (i.e.; cancelled wedding), I am still responsible to pay the balance that is due the store. The balance will be due in 30 days from arrival of the merchandise at the store regardless if I will be wearing the dress or not. Legal action may be taken if necessary to collect on this balance.

There will be an additional charge for sizes 18 and over. Please contact the store for charges as each manufacturer differs. Most bridesmaid dresses run smaller than normal clothes. All alterations are at customer's expense and by appointment only. The alteration people are independent from the bridal salon. Please contact them directly to set up your appointments, questions, problems, etc. Garment must be paid in full before alterations can be done.

I have read the above and I agree to all terms.
