Dear Vendor

Thank You for your pre-registration for this year's swap meet, if you are a veteran of our swap, we appreciate your support year after year. If you are a new vendor, Welcome to our event. As many of you know the Tri Chevy Peotone Swap Meet has been an annual event since 1972 and grows every year in both vendors and public attendance. With over 500 vendors and 5000+ spectators, our goal is to have all aspects of the event run as smooth and efficiently as possible and so we ask for your co-operation as a vendor to help us put on a safe and successful event. Enclosed is your vendor card with your space number and location in the fairgrounds. You will find additional hotel/restaurant information on the back of the map.

**RULES/GUIDELINES**

1. Vendor setup is available on Saturday, the day before the event, beginning at 12 Noon to 6PM. We **strongly suggest** that if you have a large amount of items to sell or need to park a trailer on your space, that you consider setting up on Saturday. If your space is off of a main road such as rows OSA, OSB, OFF or OFG, these areas can get very crowded Sunday morning making maneuvering a trailer difficult. **OUTSIDE SPACES ARE 10' WIDE SIDE BY SIDE, NOT LENGTHWISE**. Your 20' trailer is not going to fit on 2 spaces, we will relocate you to the racetrack.
2. **\*\* ON SUNDAY\*\* NOT PERMITTED: RIDING OF SKATEBOARDS, MINI-BIKES, SCOOTERS, GOLF CARTS, ATV'S, UTV'S, BICYCLES, MOTORCYCLES, ETC. THIS WILL BE STRICTLY ENFORCED BY THE PEOTONE PLOICE DEPT. VIOLATING THIS RULE WILL MEAN EJECTION WITHOUT A REFUND.**

14. Atrium building vendors may park at the South end of the building if space is available after unloading.
15. No automobile traffic is allowed in the fairgrounds between 9 AM and 2 PM on Sunday.
16. Vendors are responsible for picking up trash in their spots. We will assess a charge for clean-up to any vendor whose spot requires it. **IF YOU BRING IT, PLEASE TAKE IT HOME!**

For those of you who sell at our event year after year, you know that on Sunday morning from 6AM to 8AM is the busiest time of the day as we are trying to get the vendors in and parked as quickly as possible. You are PRE-REGISTERED and need to have your vendor card(s) with you Saturday and Sunday morning.

#### **PLEASE HELP US OUT**

1. Please place your vendor registration on your dashboard, in plain sight, so we can see that you are pre-registered.
2. **ON SUNDAY MORNING** after entering the fairgrounds from the **EAST**, there will be signs to form two lines. You are pre-registered and please keep to the **RIGHT HAND LANE**. We will be directing traffic to have you follow a different path than the vendors who need to purchase their spots. This will get you in quicker so you can get set up and start selling!!
