Re: Letter in Support of DCR Transmission LLC's Ten West Link Project,  
Docket No. L-21088A-19-0309-00185

Tucson Electric Power Company ("TEP") appreciates this opportunity to provide its perspective on the Application of DCR Transmission LLC for a Certificate of Environmental Compatibility ("CEC") for the Ten West Link Transmission Project (the "Project").

The Project would enhance reliability and capacity in the region, particularly between California and Arizona. We believe the Project would provide greater access to the California energy market and its increasing supply of negatively priced energy. We appreciate the opportunity to comment and support the issuance of a CEC for the Project.

Sincerely,

Christopher Lindsey  
Director, T&D Planning
