Minutes

The GSSN met on January 6, 2021 at the McCaw School of Mines in Henderson Nv. The President called the meeting to order at 6:40pm and led with the pledge of allegiance. Officers present were the President John Anderson, Vice President Ken Quick, Secretary Melinda Woolman, Treasurer Mark Hedges, Membership Chairman Eric Smith, and the Raffle officer Ron Raduenz. John welcomed all 36 signed in with 6 guests. John asked how many attended the last outing. A few hands were raised with most indicating they found gold. John reminded the members to check their emails and the website for last minute cancellations on any of the club activities. John asked if anyone has checked the new website that Mark has been working on for weeks. The website looks great. Members were reminded of the remaining raffle tickets still to be sold for the Yeti cooler, coozie, and hot/cold cup. The next meeting in Meadview Az is tentatively scheduled for March, depending on the covid situation. John asked for a motion to accept the minutes as published in the November Highgrader. Steve Hulse made such motion and was seconded by Merk Black. All were in favor and the motion passed. John asked for a motion to accept the minutes as published in the December Highgrader. Steve Hulse made such motion and was seconded by Roger Chavez. All were in favor and the motion passed. The Treasurer Mark Hedges presented the treasurers report for November 2020 and December 2020. Merk Black made a motion to accept the November 2020 treasurers report. The motion was seconded by Roger Chavez. All were in favor and the motion passed. Jeff Amelsberg made a motion to accept the treasurers report for December 2020 and was seconded by Hank Householter. All were in favor and the motion passed. The next outing will be held at the club owned 20 acre parcel in Meadview Az. on January 23-24. Main dish for the dinner on Saturday will be tacos. The dinner will be served at 3:00pm Nevada time. Attendees are asked to bring a dish for 10 people to compliment the tacos. There will be no brunch served on Sunday until further notice. Attendees are asked to RSVP on the website. Attendees were advised that in the future the club would like to start a program were one attendee gives a 15 minute presentation on anything unusual they encountered while prospecting or the use of a new piece of prospecting equipment. Some attendees seemed interested and some did not. We will see if any volunteers step up. The attendees were asked how the raffle table has been doing. Are there other items they would like to see on the table. Dirt bags seemed to be the biggest vote getter. They were advised to put something in the suggestion box or email an officer. Because of the ill repair of our metal detectors the idea was brought up that the club should buy a new metal detector for club use. After a lengthy debate everyone was in favor of having the club purchase a Mine Lab 1000 Gold Monster for use at club sponsored outings. Ken said he will check for availability. A small fee will be charged for the use of the detector to off set the cost. Written rules will be drafted before the use of the detector. The attendees were asked what large raffle item they would like

to see on the raffle table. Items such as a nugget, dry washer, metal detector or any other large ticket item. Most indicated they would like to see a Minelab 1000 Gold Monster detector. John with the assistance of Wendy Hulse provided a description of the raffle table. After a short break the raffle was held. Steve Hulse made a motion to adjourn and was seconded by Paddy Rohme. All were in favor and the meeting adjourned at 7:40pm.
