

The Lord is Dethroning Drama Queens and Kings!

What is a drama queen or king? A person who often exaggerates with overly emotional reactions to events or situations. They want all the attention on themselves. Often women are accused of being drama queens, yet I have met many men who are drama kings! King Saul was drama king. He loved the accolades of being the King of Israel yet when he was faced with the problem of the Philistine enemy Goliath, he became lazy, emotional and worried.

In Proverbs 26:13 it says “The lazy man says, “There is a lion in the road! A fierce lion is in the streets!””

When I read this scripture, I thought how easy it is to complain “there is a problem” instead of pulling up your bootstraps and bearing up under whatever you have to in order to press forward. David who was only a boy, realized that His God was greater in Him than the Goliath in front of him! David RAN to Goliath! He did not care about how big he was or what was going to happen to himself. All David knew was that His God gave him peace and power. David was able to face Goliath without fear because of the Holy fear of the Lord in his heart.

Most people face their problems because they have to, yet often they do so in a manner that lacks peace, joy and the sense of Christ’s already accomplished victory. **IN CHRIST YOU ARE VICTORIOUS!** You may not feel victorious, your bank account maybe empty, you might be worried about the future, you many even feel isolated and lonely. The reality is that most everyone else is dealing with the same problems you are. You are not alone in the enemy you are facing. Ultimately, the enemies we face are not diseases, people or finances. Our enemies are anxiety, stress and fear. These enemies like the coronavirus are unseen and inspired by the enemy of our souls, the prince of this world, the greatest drama king who has ever lived.

Now is not the time to be intimidated by the Goliath of Coronavirus, now is the time for men and women of God to rise up knowing their God is King of all kings! God is looking for courageous people who will not be afraid of the lions in the streets or Goliaths before us, but as men and women of prayer step out by faith and believe the Lord for breakthroughs of revival and awakening beyond anything we have seen before! You may be quarantined in your home but it is now time to RUN to the battle! How do we do that? By abiding in the secret place of the Lord and watching Him move on our behalf. Then, we will rout our enemies as we trust in the Lord for divine breakthrough.

If you are elderly or struggling with sickness of some kind, this word is not meant to make you feel condemned. This word is for those who believe they are the only ones dealing with the problems all of us are dealing with. We love you and pray for the Lord to protect, heal and give you His peace today
