Dear Parents and Carers

Food Donations

Members of our local community and school staff have been kindly bringing donations of food and household goods into school. We are already aware of some families who would benefit from these, however we are conscious that there may be others who are struggling due to the impact of Covid 19.

These donations are not regular and we don't know what they will contain, however when we do receive them we will post on Twitter at <https://twitter.com/HoppingHill> and on our Facebook page, and we will then leave them at the front of school so that you can help yourselves. If you are struggling to get to us because you are self isolating please contact the office at office@hoppinghill.northants.sch.uk when we post and we will do our best to help.

I know that some of our families will be keen to help out, however we do not yet know if families will need what we already have. We will let you know if we are able to make use of any further donations.

Yours sincerely

Michelle White
