Local Emergency Response Efforts Highlighted at CVFPB Meeting

At their March 25th meeting, the Central Valley Flood Protection Board (CVFPB) was briefed on activities accomplished with the [Emergency Response Grant Program](#), including [Delta Communications](#) and [Emergency Response Grants](#). Presentations by DWR and local representatives including Dana Carey from Yolo County Office of Emergency Services and Ron Baldwin formerly with the San Joaquin County OES are [available for viewing](#) on the CVFPB's website. Please contact Kristin.richmond@water.ca.gov if you have any questions regarding the presentations.

Levee Policy and Design Seminar Hosted by ASCE-GI

Three of CCVFCA's members are speakers at a ["Levee State-of-the-Practice Symposium"](#) organized by the Sacramento ASCE-GI on Earth Day – Friday, April 22nd. In the morning Pete Ghelfi with Sacramento Area Flood Control Agency (SAFCA) will talk about ["Levee Standards"](#) and Mike Inamine with Sutter Butte Flood Control Agency (SBFCA) will discuss ["Feather River West Levee Project: Unique Challenges."](#) AECOM also has two speakers presenting in the afternoon during concurrent tracks on Policy and Design Considerations. The all day event will be held at the Wildland Fire Training and Conference Center from 8:00 am-5:00 pm at the [McClellan Business Park](#), 3140 Peacekeeper Way, Sacramento.

Two-Day Seminar Addressing FEMA/NFIP and other Flood Risk Topics

The U.S. Army Corps of Engineers (USACE), Department of Water Resources (DWR), CAL FIRE, and the Merced County OES are partnering with the [California Silver Jackets](#) to host a [two-day Watershed University seminar](#) on [April 27-28](#) that will cover several flood, climate, integrated water management, and emergency response topics. Space is limited if you want to attend this FREE event in person at the Merced County Office of Emergency Services (OES) in Atwater, but participating online is not, so call (916) 574-0625 or [visit website to register](#).

JOB ALERTS

Assistant General Manager (AGM) Position

Reclamation District No. 2068 in Dixon California is recruiting for an AGM. The District is an irrigation water supply, drainage and levee maintenance agency. The successful candidate will increasingly assume responsibilities for planning, organizing, directing and coordinating functions of the District and would be considered for the GM position upon the retirement of the current GM. A Bachelor's degree in business administration, engineering, water resources or related field is expected. A complete position description and additional information is available by request at jobsrd2068@solanowireless.com. Please include a name and return email address. Resumes will be accepted until April 15, 2016.
