BERNESE MOUNTAIN DOG CLUB OF AMERICA Draft Test Purpose

The Bernese Mountain Dog Club of America Draft Tests are a series of exercises designed to develop and demonstrate the natural abilities of purebred Bernese Mountain Dogs in a working capacity involving hauling. The Bernese Mountain Dog has historically functioned as a draft dog in various capacities, and performance of these exercises is intended to demonstrate skills resulting from both inherent ability and training which are applicable to realistic work situations. Efficiency in accomplishment of tasks is essential. It is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.

Class Entry Details

- There will be a limit of 28 entries Friday and Saturday. Limit of 26 entries Sunday.
- Entry fees \$35 for each single dog team and \$45 for a brace team.
- A separate entry form must be filled out for each dog of a brace team and then submitted together. Even though two entry forms are required for each brace team, each brace team will be counted as one entry in the Draft Test entry limit.
- If more than 28 (twenty-eight) entries are received Friday and Saturday and 26 (twenty-six) Sunday, they will be prioritized per the following order:
 1. Untitled BMD's
 2. Titled BMD's
 3. Untitled other dogs
 4. Titled other dogs
- *Note that "titled" means titled in the entered class.*
- Teams entered in a class in which they have already earned the advanced level title will be drawn after teams without the advanced level title in that class.
- A random draw will be held for each group in the list including and following the one that causes a total entry in excess of the Test limit.
- Entrants must notify the Draft Test Secretary if a dog has earned a title in the entered class, including if the title is earned after the entry has been submitted.
- The BMDCA weight certificate form can be found on-line and also at the end of the entry form attached.

Attention Exhibitors

- The following classes will be offered: Novice, Brace Novice, Open and Brace Open.
- Handlers must provide their own rigs, harnesses, and tie downs or other means of securing a load on their particular draft rig.
- Handlers must bring their own weight. Weight will be verified via scale at the test site.
- Entered dogs must be 24 months old or older on the day of the Draft Test.
- Bitches in season are not permitted to compete.
- The two dogs of a brace team need not be owned by the same person or by the handler.
- Un-entered dogs may be present but, like entered dogs that are not in the ring, must be leashed or crated and under control at all times.
- Please remember to be responsible dog owners and pick up after your dog(s).

Weight Certificates

- Weight certificate(s) must be dated within 60 days of the date of the test.
