

Maev O'Leary

Maev O'Leary is the 9 year-old daughter of Joseph and Nikki O'Leary. She just completed 3rd grade and is looking forward to a summer filled with swimming, bicycling, climbing trees and hanging out at the beach. Maev loves to draw, paint and make jewelry. She is training to be a ballet dancer and when she grows up she wants to move to Paris and create designer clothing for the fashion world. She is delighted to be this year's Lumberjack Days Princess.
