#### Jane's Match Reports for the U10s

We started off the morning with a closely fought game between our two U10 teams. The U10B team edged ahead and won 4 – 1.

The U10A team then went on to play Cardinals B. Despite some good play and some healthy competitive spirit, we were beaten by a good Cardinals team. **Star Player was Tara** for good footwork and good shooting.

The U10B team's second match was against Richmond Ravers. This was always going to be a tough match as Richmond Ravers are dominating the League in all age groups at the moment, but our girls fought hard and did their best. **Star Player was Kennedy** for some great interceptions.

The U10 team, playing in the U11 League had mixed results. They lost their first match 0-11 but then went on to win their next match 12-0! **Star Player was Freya Hancock** for good footwork, good interceptions and a great competitive spirit.

#### Liz's Match Reports for the U11s

The U11 A team faced three difficult matches this weekend. First up were unbeaten Richmond Ravens who demonstrated why they are top of the league! Our girls played extremely well with some superb defending from Kira McLennon and Rosie Childs, but despite this we ended up 10-3 down at the final whistle. Next up were Cardinals who were sitting 2nd in the league and this match was just as tough. Again, the girls didn't give up and hard work from Sophie Conner, Maya Mirza and Imogen Coldicott kept the ball in the centre of the court for long periods and the final score line of 12-3 to Cardinals was primarily down to faultless shooting from the opposition. The final game against Whitton stayed at 0-0 for a long period of time until some excellent play from Gemma Argyle and Charlotte Durbridge broke the deadlock to see us finish as 6-2 winners. Well done to all of the girls for some great team work and excellent attitude.

The Under 11 B team played in two matches. The first game against Fetcham Hawks produced an outstanding display from all of the girls with Maggie Swan and Darcie Nash controlling the game. Some excellent shooting from Holly Grimshaw got us off to a great start and a team performance to be proud of gave us a fantastic 7-0 win. The second match was against a high flying Richmond Ravens B team who were extremely well organized, however our girls worked tirelessly to the final whistle with some superb defending from Amelia Feltham and Gabby Squires and some lovely centre court play from Jess Monteiro and Maddie Daniels. The final score of 19-1 was again down to impeccable shooting from Richmond and does not reflect the excellent effort put in by all of the Ashtead girls. Well done to all the girls for never giving up and great team work.....and well done to the parents of this team for providing the loudest and most enthusiastic support of the day!

**Stars of the week – everyone!!!** For supporting each other and playing well as a team.

### **Natalie's Match Reports for the U12, U13s and U14s**

What a great day's netball at Dorking today with five wins and a draw out of seven matches!!

The U12s played some lovely flowing netball with great team work, even when moving round positions. They had two fantastic wins, 15 - 7 against Waverley Vipers A and an amazing 37-0 against Dorking B. My **star player was Kaitlyn Sheffield** for lovely feeding into the circle and great control down the court.

The U13As also had two great wins. 8-4 against Dorking A and 11-5 against Waverley Vipers A. The girls worked really hard, especially against some very tall defence, and they came through with two well deserved wins. My **star player this week is Sophie Porter** for two really confident and controlled performances.

The U13Bs had a really tough match against Dorking A, losing 18-5, but they never gave up and continued to work hard throughout. My star player for this match was Caitlin Daniels for some fabulous interceptions. The second match was against a younger, but fabulous team from Wey Valley. Our girls continued to work really hard and came away with a well deserved draw 11-11. My **star player for this match was Amy Tubb** for a confident and controlled performance.

Finally, the U14s were awarded the win against Dorking B as they were unable to field a team. However, to ensure the girls got a game Dorking fielded their A team for a friendly. Our girls played brilliantly with some lovely flowing netball, great support play and good passing, coming away with the win 20-4. My **star player is Sophie Elphick** for some great interceptions and lovely controlled play down the court.

Well done to all the girls today.
