

Official N.A.P.S.I. 5X4 Target

Shooter will need 2 magazines loaded with 6 rounds each. Drill is shot from 4 yards. Shots must be in proper target area or clearly breaking the line to count as a hit.

Starting with the gun in the holster, and with a total of 6 rounds loaded into the gun (1 in chamber, 5 in magazine), on the signal, fire 2 rounds into the center 5" circle then a single round into the #1 triangle. Repeat the sequence for center circle and #2 triangle. Perform reload then repeat sequence for center circle and #3 circle and #4 square respectively.

Each miss adds 1 second to your total time.
