BACKGROUND

WHEREAS, the First Class Townships, Second Class Townships, Boroughs and Third Class Cities of Pennsylvania, when not inconsistent with state or federal law, are authorized to oversee and regulate trade, commerce and the use of public streets, ways and property within their jurisdictions; and

WHEREAS, under the recognized corporate powers of the First Class Townships, Second Class Townships, Boroughs, and Third Class Cities, municipalities have the authority to enter into agreements with other municipalities, in accordance with existing laws, for performing governmental powers, duties, functions and maintaining peace, good government, health and welfare of the respective municipalities and their citizenry; and

WHEREAS, the Berks County MS4 Steering Committee (the "Committee") was formed to enable municipalities to share ideas, services and other resources to enable those participating entities to properly complete applications/annual reports to the Pennsylvania Department of Environmental Protection ("DEP") for renewal of MS4 permits (PAG-13) and required reporting under the newly formulated regulations; and

WHEREAS, the Participating Municipalities have determined that it is in the best interests of their residents to participate in such a venture and to cooperate together and enter into this Agreement providing for cost-sharing and cooperation to determine the means by which the Participating Municipalities can best obtain the required information to be included in such applications/annual reports to the DEP for renewal of MS4 permits (PAG-13); and

WHEREAS, the Participating Municipalities recognize that inaction on their part is not an option and that costs in making application individually would in most instances, be greater than those incurred through cooperative cost sharing for an educational program ("Cooperative Educational Program") and pro-rating costs for other services among the Participating Municipalities; and

WHEREAS, the Participating Municipalities agree that time is of the essence in completing the aforementioned objectives.

NOW, THEREFORE, in consideration of the above and intending to be legally bound hereby, the Participating Municipalities do agree to the following terms of this Agreement:

4. In addition to appointments pursuant to Section 1 above, Municipal and other professional engineers having experience in storm water management may be appointed to the Committee without regard to the total number of such individuals, except that they must be associated with the appointing Participating Municipality. Such individuals shall be non-voting members.
5. If deemed necessary, the Participating Municipalities may engage an attorney to serve as solicitor for the Committee.
6. In order to be a member of the Committee, each Participating Municipality shall pay the aggregate sum of Three Thousand Dollars (\$3,000.00) as follows:

All payments due hereunder shall be paid to and made payable to the Berks County Conservation District, which shall collect membership fees and pay for any services required to enable the Committee to conduct its business.
 - (c) If permitted by law, the Participating Municipalities may approve a revision in fees payable, if warranted, by resolution from time to time.

7. A municipality may enter into this Agreement at any time; provided, however that payment of the full Three Thousand Dollar (\$3,000.00) fee is still required and the initial One Thousand Dollar (\$1,000.00) fee and any fees due and payable pursuant to Section 6(b) above prior to the execution of this Agreement shall be paid concurrently with such execution.

8. The Participating Municipalities through the Committee shall cooperate in providing the required Cooperative Education Program and such other services as are necessary to assist them in assessing the legal and regulatory requirements and implications to properly submit applications for permits/annual reports under the new MS4 (PAG-13) regulations and, if necessary, compliance with the associated state generated Model Stormwater Management Ordinance. The Cooperative Education Program shall be developed in accordance with the provisions of Exhibit "A" attached hereto and made a part hereof.

11. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original part of the within Agreement and together shall constitute one Agreement.

12. Successors. This Agreement shall be binding upon the parties hereto and their respective successors and assigns.

13. Governing Law. This Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Pennsylvania.
