# Vendor Spotlight

Meet Jeanette Tatum, a market vendor for over 4 years. Jeanette's shop is called So YouNique and when you visit you'll discover why. The shop is filled with one-of-a-kind creations including wreaths, tissue box holders, vases, candle holders and more.

Jeanette moved to the area from Orlando 6 years ago to be closer to the beach. A seamstress by the 8th grade Jeanette found herself creating all kinds of crafts and gifts for friends and family from an early age. She now has a shop filled with her inspirations and thoroughly enjoys the color, style, creativity and process that goes into her designs. You'll find her shop bursting with great gift ideas for this holiday season or any occasion where a personal touch is desired. The inventory changes with the seasons and is always stocked with holiday creations as well as every day gifts for you or a loved one. You won't find copy-cat work from Pinterest or elsewhere at Jeanette's shop. Rest assured, you're

getting a YouNique creation.

Among creating gifts for that hard-to-buy-for person on your list, she also offers a gift wrapping service year-round for your items or hers.
