# Paper Cutters

## SC-21TS, SC-27TS & SC-31TS

Shark Finishing Machinery introduces the Smart Cut series of paper cutters. These heavy duty paper cutters are built stylish and solid. They are available in three convenient sizes; 20.5", 26.5" and 31.5". These cutters are fully programmable with easy to use large LCD color touch screen display, safety light beams, air bed, and LED cut line light. They are also equipped blade depth adjustment right from the screen, automatic paper eject feature and heavy duty casters so that the cutter can be easily moved without a pallet jack or forklift. Leveling feet are also included for stability. These hydraulic paper cutter only require 220 volts (Single-phase). They are very simple to operate and require minimal maintenance.

- Hydraulic Clamping & Cutting
- Red LED cut line light for better visibility
- Light safety beams for added safety to the operator
- Fully Programmable with large LCD Color Touch Screen
- Air bed
- Automatic Paper Eject Option
- Micro Adjustment
- Clamp opening from 3.35 to 4 inches
- Blade depth adjustment right from the screen
- Our cutters only require 220 volts, single phase power
