

Manzanita Ridge Wine Club

Terms and Conditions

The Manzanita Ridge Wine Club currently ships within the State of California exclusively.

According to state and federal laws, you must be 21 years of age to join the Manzanita Ridge Wine Club and to receive shipments of wine.

Manzanita Ridge Wine Club does not charge a membership fee.

Currently Manzanita Ridge Wine Club offers one level of membership which consists of two shipments a year with each shipment containing two bottles of wine personal selected by the vintner.

Wine shipments are scheduled for Spring, the week of March 14th and Fall, the week September 5th, with the exception of a member's first shipment which will be sent out within one week. Shipment dates may be adjusted as needed due to weather conditions and the winemakers discretion.

Notification of wine selection, shipment cost, and shipment date will be provided prior to all wine club shipments.

For members who join on or before January 31st, we will ship their first shipment within a week and their next shipment with the scheduled Spring shipment. Members who join between February 1st and March 13th will receive their first shipment with the scheduled Spring shipment.

For members joining on or before July 31st, we will ship their first shipment within a week and their next shipment with the regularly scheduled Fall shipment. Members who join between July 31st and September 4th will receive their first shipment with the scheduled Fall shipment.

We ask that all changes to credit card information, shipping address, and contact information be made via email or in writing 30 days prior to shipping dates when possible.

Charges for undeliverable, redirected, or returned shipments are the responsibility of the wine club member and will be billed to the payment method on file.
