# Month of the Military Child Photo Challenge

During April, interested youth and adults across the state may choose to participate in the **VA 4-H Month of the Military Child Photo Challenge**. This is another way to celebrate military children. The goal is for military youth to see they have our thanks & support. Participants of the photo challenge simply select the subject of their photo from the following:

- MOMC spelled with toys or household items
- A purple ribbon tied on a tree
- A door decorated for Month of the Military Child
- An American Flag flying in your community

**As a participant, you will share your photo by posting on social media using:**

**#MonthoftheMilitaryChild      #Virginia4H**

*(People are not required to be in the photos. If more than one person is in a photo, mask wearing and social distancing should be practiced.)*
