    "(The first builder was) unable to help us in the autumn as a key member of his staff died. With the inclement weather well and truly with us I expect him to say it will be nearer to spring . If he comes back to me with a more favourable answer I will let you know immediately. Little consolation is that the bench is not being subjected to this awful weather.

12. **Standing orders**. Letters prepared. However, GoDaddy does not accept payment from UK accounts. Payment is now set up to renew automatically but Council needs to decide which credit card/paypal account that should refer to. Currently Clerk's paypal account. Should NPC have a paypal account? GoDaddy only operates if there is at least one payment method on file.
