Experience

A-Way Training & Tactical Inc. provides **training solutions** to people and organizations. We are a local professional training services company founded in 2016, initially focused on Firearm Safety Training. In 2019, we expanded our training services to include Leadership Development & Emergency Planning for Businesses.

We know how to assess **liability issues and concerns** for people and organizations – Civil or Criminal. We have trained people from 6 different States. We are currently providing training services to citizens in over 54 cities/towns in Illinois and employee training for a large Parking Enforcement Company.

A-Way Training & Tactical, Inc. is IDFPR licensed, and a UTM **Professional Training Organization**, providing training services Nationally.

As a Training organization and federal firearms license dealer, we have access to quality training equipment. A-Way provides our clients with the **highest quality professional training** to reduce liability and preserve life.
