MATRE FORESTRY NEWSLETTER CONTEST! Participate for your chance at \$50 cold hard cash. Now I ain't talkin' gift certificates, I am talking cash - cash just in time for hunting season prep or football tailgating, or micro-brews (we recommend <http://www.pretoriafields.com/> beer), or to make a special offering to your church or favorite charity, or bail money for your cousin - whatever you want to do with it, it will be yours!

You are receiving this because I sent it to all emails in my phone contacts that have accumulated over the years, plus all of our existing newsletter subscribers. It is a lot of email addresses, so I did not even cleanup my phone email contacts because it is too many to go through, so if the Matre Forestry newsletter is of no interest to you, please disregard this email. Shortly after this goes out, the special email list from my phone will be deleted from our email blast list - so make sure you subscribe if you are not already subscribed.

Now, some of you already subscribe to the Matre Forestry Newsletter, but some do not. If you do not receive a Matre Forestry newsletter usually about once or twice a month, either you are not subscribed, or maybe it is going into a spam folder. If you are interested in land for sale, selling or buying land, buying timber, hunting leases, and occasional forestry and land management articles and tips, and current events such as land and timber market news - then you should subscribe. Our newsletter pertains to our core market of Sowega (Southwest Georgia), but a lot of the information pertains to the Southeast US. If you are interested in land and timber, then you should be interested in Sowega, because the region is awesome, the deer are huge, the soil is fertile, the water is great, the quail hunting is fabulous, and the timber and agriculture markets are healthy. There is a huge demand for land from Georgia and Florida hunters and land investors, plus demand from others across the world.

How to enter the Matre Forestry Newsletter contest to win \$50?

- Step 1: So here is the deal, if you are not subscribed to the Matre Forestry Newsletter, subscribe by going to <https://www.matreforestry.com/newsletter.html> and clicking the "Subscribe Today Button!"; or [click here to go directly to the signup page](#). At the bottom of the signup page click "Newsletter", **and if you are a timber buyer, also click "timber buyer"**. If you are already subscribed, stay subscribed.
- Step 2: Reply to mike@matreforestry.com and simply state in the subject line "I just subscribed to the Matre Forestry Newsletter" or "I am already subscribed to the Matre Forestry Newsletter".
- Deadline to enter by replying is 8/23/2018.

On 8/24/2018 We will randomly select from those that replied one new subscriber and one existing subscriber to each win \$50 cash! If a winner is local, we will deliver the windfall, and if a winner is an out-of-towner, we mail the windfall.

Why do we want you subscribed? It's simple, we want to occasionally get information to you at the click of a mouse regarding our land offerings, timber sales, land and timber management articles, land and timber current events, etc. And we are not fond of stuffing envelopes and buying stamps, and not everyone is on social media. By the way, speaking of social media, follow Matre Forestry on Instagram <https://www.instagram.com/matreforestry/> and LinkedIn <https://www.linkedin.com/in/mikematrematreforestry/> We also post most of our email Newsletters to LinkedIn.

Thanks to you existing subscribers, and thanks to you future subscribers. And we are looking forward to seeing who the lucky winners will be.

P. S.

Check out our listings and sold properties at <https://www.matreforestry.com/properties.html> . Attention sellers: We want listings, both land sales, and timber sales. Attention land buyers: Contact us today, and hurry, because as hunting season approaches, we are showing and selling more and more land.

We strive to provide an informative newsletter for those interested in timberland and farmland investments, land management, and land and timber market news. If you were forwarded this email, we hope you will subscribe. We keep our subscriber list confidential and will not share or sell our list, and we will not bombard your inbox with frequent emails. We send our quarterly newsletter notice out once a quarter, and occasionally we send out short email blasts to inform our subscribers of available properties, available hunting leases, and share important current event news that affects the land and timber markets. You can unsubscribe at anytime. Please forward to a friend. We welcome your feedback.

Sincerely,
