Special Thanks.....

To Bobby and Amy for their tremendous hard work and dedication to creating the characters of Jill and Don. To Jim Winkenwerder whose creative efforts built the bed and put the final touches on the set to make it as ugly as I needed it to be. To my family who help in so many ways with the million details that go into creating a production. To Christopher Kaspar whose extensive musical knowledge helped create all the music and to his patience in giving Bobby guitar lessons. I want to give special thanks to Linda Leist for her advice and efforts to help get props to properly portray the part of Don Baker. As always, to all the volunteers who give their hearts to the Gaslight Theatre.Josh
