

Licensed Clinician Job Description

Position Overview: Revelation of Hope Counseling Services, LLC is seeking a licensed clinician – Licensed Professional Counselor/Mental Health Service Provider (LPC/MHSP). In this position, you will meet with clients, analyze their mental health status, and develop a course of therapy to address their issues. You may work with clients who have substance abuse issues, depression, anxiety, eating disorders, or any DSM-5 diagnosis. You should have some experience with a wide variety of clients and conditions. This position is an independent contractor.

Reports to: Clinical Director / Chief Executive Officer

Duties/Responsibilities:

- Provide brief individual, family, group and marital counseling with children, adolescent, adults, families and couples, with the provision of collateral counseling as needed.
- Provide intake evaluations/assessments as directed by management.
- Have daily interactions with service recipients who are mentally ill, seriously emotionally disturbed and/or chemically dependent who, due to their impairment, are at high risk for labile, volatile and/or unpredictable behavior.
- Attend staff meetings
- Other duties as may be assigned.

Qualifications and Skills:

- Master's degree in psychology, social work, or a similar field
- Licensed with LPC/MHSP in the State of Tennessee to practice independently, maintaining requirements
- Minimum of three (3) years experience providing counseling in mental health and/or substance abuse setting.
- Be able to work independently on tasks assigned.
- Strong critical thinking, communication, and listening skills

Application instructions:

For consideration, please email Résumé and Cover Letter/Letter of Interest to info@rohcs.org
