

North Phoenix traditional Charter school is looking to immediately fill **Teacher Aide** positions for the current school year. This 10-month, part time position is responsible for assisting teachers and students in the classroom, lunchroom, or on the playgrounds during recess.

We offer a highly professional atmosphere where employees are valued and supported. Administrators are “hands-on” offering mentoring support and training throughout the academic year to ensure that both students and staff excel. Our rigorous curriculum includes Spalding Language Arts, Elements in Literature, Singapore Math, and Excellence in Writing. We follow the Core Knowledge Scope and Sequence for history/geography and lab-based sciences which are taught within a collaborative teaching environment. Our curriculum selections are research based and proven. We follow a direct-instruction teaching model that includes a strong hands-on integration with science and the humanities. High expectations are set for students, teachers and support staff.

At a minimum, qualified applicants must possess a G.E.D. or a high school diploma, or higher. You must possess, or be able to obtain a D.P.S. Identity Verified Fingerprint card in order to apply for this position. Possession of a First Aid/CPR certificate is helpful upon hire and will be required at a later time this school year.

Application is available for download at www.choiceacademies.org following the employment tab to the fill-in application. Please complete application, attach resume and three professional references and email to the business office.
