

Hi Friends,

Hi! My name is Carolina, and I am one of the newest coaches at the South gym! I have one younger brother and a pet hamster named Remy. I was born and raised in Laredo, Texas and am currently a student at The University of Texas at Austin studying Nutrition. After graduation, I plan to attend dental school and complete a residency in orthodontics. My hobbies include reading, baking, developing gluten-free recipes, and hiking.

Having worked as a babysitter and tutor for almost six years, I really enjoy working with children and helping them realize their fullest potential! I participated in recreational gymnastics for several years when I was younger, so I am excited to be able to be here to share my love for such a fun sport with all of the students! I can't wait to meet everyone!
