ESSAY

Write a brief essay to include information about your school experiences, special interests, hobbies and activities with the American Saddlebred community and why being involved with horses and ASAA sponsored events are important or have shaped you. Essays should be at most two (2) pages, single-spaced, and in 12-point type. The main objective of the essay is to give the selection committee a clear understanding of your possible career choices, individual goals, and strengths. Personal and family circumstances may be included.

Also submit a separate list of your scholastic, ASAA and community activities. A listing of horse show wins is discouraged, but may be included.

Note: All essays must be submitted as a separate attachment (electronic submissions) or typewritten on a separate sheet of paper (mailed submissions).

REFERENCES

A maximum of two (2) references are highly encouraged but not required. To avoid a conflict of interest, reference letters may not come from trainers, as many are ASAA board members. All references must be received directly from the author and received electronically or addressed and postmarked to the ASAA offices by January 31, 2018.
