### **Biography**

Louis Frank Laming, age 66, of Ubly passed away peacefully at home surrounded by his family after a long battle with cancer on July 16, 2022. Lou was born May 24, 1956, son of the late Max and Lavara (Morrish) Laming. He graduated from Cass City High School in 1974. He married the love of his life, Anna Guigar, on July 2nd, 1977. They recently celebrated their 45th wedding anniversary. Lou loved the family he and Anna created together. They have four daughters and one son. When they were little, his kids would fight over who got to go for a ride with dad, because there was always a treat in store. His heart was full of love for all of his children and that love continued to grow with the birth of each of his twelve grandchildren. Papa Lou was everyone's favorite, ready to take them for a 4-wheeler ride at a moment's notice. Lou was an avid hunter and made many memories around the campfire at turkey and deer camp each year with family and friends. Sometimes they even made it out into the woods. Lou prided himself on his perfect attendance at Huron Tool and Engineering, where he worked for over 30 years as a machinist and later as the shipping and receiving clerk. He also served as Greenleaf Township Treasurer for 22 years. Lou was a talented craftsman. He was quite the woodworker, taking on many projects around the house. His handiwork can be seen in every room of his home. He was able to look at a pattern and build it better than the original. When his granddaughter surprised him with some baby chicks, he got straight to work constructing a chicken coop. He was quick with the 1-liners and always kept everyone laughing. His humble, kind demeanor will be missed by all that knew him.
