

A few ways to Distribute Tracts

There are many ways to distribute tracts. They can be offered to everyone you see. Just reach out your hand with a tract in it and offer it to all you see. Almost everyone will take it. Leave it on house doors, by slipping it in the side of the door and curling it behind the door knob. Another great place to leave tracts, is to go thru shopping center parking lots. This can be done many times a day because there will be different shoppers every hour. Leave "Born Again" or Business Card tract on the drivers side window. Place it between the glass and the rubber seal at the bottom right corner of the window and curling slightly onto the door frame. Never leave under windshield wipers. The Business Card tract works great for this. This is 100% legal it is considered free speech. If asked by the property owner to stop, you must stop and leave and go elsewhere. Business parking lots are private property just as homes are. On public property no one can legally stop you. **Is it not better to be an obedient servant of Jesus than a silent friend of Satan?**
