

Sales Bulletin: 2014-28DDC

May 2, 2014

Coverage: United States, Canada, and Latin America – Commercial and Retail

June 16, 2014
Commercial and Retail Suspension Systems Price Bulletin

Effective Monday, June 16, 2014, **Armstrong Suspension Grid and Drywall Grid will increase 5% for customers in the United States, Canada, and Latin America.**

These actions are a result of increased steel costs due to unplanned outages, increase in scrap costs, and stronger than expected demand across multiple segments.

For commercial customers:

The following are guidelines for your 2015 project price quotations.

- +5% for quotes on or after February 2, 2015
- +5% for quotes on or after August 3, 2015

We continue to manage costs while investing in new products and resources to bring ceiling construction expertise to the industry. We value your business and we thank you for your support.
