## Photo Release Form

On occasion, Le Petit Elephant Nursery and Preschool staff will take photographs of enrolled children. These photos are primarily used for center purposes: to display in the center or on our private Facebook page to show parents what the children have been involved in or to create keepsakes for the staff or children of their experiences.

We can only use your child's photo if we have permission from you. Please indicate below if you do or do not authorize the use of photos of your child.

- No, I/we do not authorize Le Petit Elephant Nursery and Preschool to use photos of my child for center purposes.
- Yes, I/we give consent for pictures to be taken at Le Petit Elephant Nursery and Preschool and that they may be posted to the Le Petit Elephant Nursery and Preschool private (parents-only) Facebook group "Le Petit Elephant Parents" and/or in the classroom.

Pictures posted to the private Facebook group will be used solely for the purpose of illustrating classroom activities.

Parents who have special concerns or requirements regarding photography of their children may contact the Director.
