Police Chief—Josh Ross (Absent)

A Police report was given to the Mayor and Board Member prepared by Police Chief, Joss Ross.

Please allow me to apologize for not being able to make the meeting, as I am currently attending the state mandated Law Executive Management Institute, which is held in Zachary, Louisiana, until March 2. Although, I am unavailable, Lt. Kane Marceaux will be handling day to day operations, until my return, and is available if needed.

As of the last meeting, the Arnaudville Police Department has issued 60 traffic citations for various offenses such as speeding, illegal window tint, driving under suspension, and driving without a license, 16 criminal misdemeanor citations, for offenses such as paraphernalia, illegal narcotics, trespassing, and criminal damage, and an additional 8 citations were written to individuals on bicycles. I would like to add that close to 50% of the total citations, were issued in residential neighborhoods, where the police department is aggressively monitoring speeding violations, especially in the early afternoons when schools let out, and children are playing.

The Arnaudville Police Department has further made an additional 8 felony level arrests. In the past week alone, the Arnaudville Police Department has recovered

large amounts of Crack/Cocaine, Cocaine Powder, Methamphetamine, and enough Fentanyl to potentially kill around 32,000 people.

The current state of the department is as follows:

Investigations: Currently Lt. Marceaux has been working several investigations for crimes including burglary and narcotics. Since starting the Arnaudville Police Department, Dt. Marceaux has been nothing short of vital, and has solved several crimes, including a break in at the Arnaudville Middle School.

Staffing: Currently we have three (4) full-time Police Officers, of which, one is attending the academy, and one (1) part-time Police Officer, and myself working shifts. We are currently in the process of interviewing other qualified candidates and working on filling the reserve officer's spots.

Training Update: Currently Officer Parker Blanchard is attending the St. Martin P.O.S.T. Academy and his anticipated graduation is around April 20, 2023. He has so far scored a 90% or better on all tests he has taken. Once Officer Blanchard is certified, the Arnaudville Police Department will look at sending at least two officers to the Juvenile Academy, as Juvenile Offenders seems to be an ongoing problem.

General Information: I would like to also thank the citizens for their cooperation and willingness to assist all Police Officers from the Arnaudville Police Department with various information pertaining to crimes in the area. As the police department continues to transition, the Arnaudville Police Department will continue to build rapport with the citizens and assist when needed.

Request: None
