Metuchen Golf & CC - White - Rating 70.6

**Course:** Slope 133 Par 72 / White - Rating 70.6

Slope 133 Par 72

**Weather:** Sunny Windy 50's

Ron Emma was playing so bad through the first 6 holes that he was thinking of DNF (his group started on 4) - decided to stay and promptly drove the par 4 green on number 10 (262 yards) made a greenie and birdie - just missing the eagle. He goes on to win by 1 over Rick and was the only guy who won \$. Course is old school - tight holes with lots of trees, bunkers around every green and plenty of blind shots. A lot of defensive puts on the greens. Windy but pleasant in the mid 50s.
