GOODWILL AND CORPORATE RESPONSIBILITY

- Align your company with the solution to an important social issue: Providing opportunities for South Florida's at-risk youth.
- Network with other community-minded organizations.
- Get more visibility in the community for your brand.

"A lot of the research is finding that a healthy employee costs the employer less money, but it also increases the employee's morale. If you can improve job satisfaction, performance goes through the roof."

—Dr. Kevin Christie, On-site Chiropractor, Royal Caribbean

From South Florida Business Journal, June 6, 2014.
