

**Historian Report December 2024**  
**By Lynda Griffin – AZ Department Historian**

**Happy Holidays,**  
**It was great seeing everyone at Fall Conference.**

**Serve. Honor. Advocate. Educate.** These words embody the mission of the American Legion Auxiliary. For more than a century, ALA members have volunteered selflessly to help our veterans, military, and their families. Today, our mission-outreach impact exceeds \$2 billion annually, our sustaining commitment to honor our country's past, present, and future veterans.

The responsibility of the historians of the Auxiliary is not only to the women and men of the organization today but to the women and men of the future, and to the America of the future. It is through their work that the Auxiliary will live long after its last member has gone to their grave and that its ideals will be transmitted to generations of Americans yet unborn. They have a task worthy of their best efforts, and which will give scope to their fullest talents. **To do this I need help please mail or email me your meeting minutes for each district and each unit of AZ!**

**LET MAKE HISTORY FOR AZ COUNT!**
