

YEAR 4

HOME LEARNING

Hello Year 4,

We hope you and your family are all keeping safe and well. We are all missing you and now know we will be seeing you all soon. Here is the new schedule for your learning next week. Keep trying hard, do what you can manage and don't worry if you can't complete everything.

Thank you to those of you who have let us know what you've been up to at home, we'd like more of you to share pictures of your wonderful work or just to say hello, so here are our school email addresses:

simon.cuming@hoppinghill.northants.sch.uk

andrea.krudy@hoppinghill.northants.sch.uk

ellie.mills@hoppinghill.northants.sch.uk

danielle.nossa@hoppinghill.northants.sch.uk

Stay safe and well,

Mr Cuming, Mrs Krudy, Mrs Mills and Miss Nossa x

Here is the new weekly timetable with a suggestion of the activities you can complete each day next week. The information and more detail of these activities can be found underneath. Have fun!

We have decided that we are going to use the BBC Daily Bitesize learning which can be accessed at <https://www.bbc.co.uk/bitesize/tags/z63tt39/year-4-lessons>

Each Activity has an animated video explainer, a review clip which is usually a quiz and a printable activity- don't worry if you don't have a printer, the children can work directly onto a piece of paper or into an old exercise or note book you might have around the house.

There are also daily lessons on the BBCiplayer that the children can watch to support the learning.

YEAR 4

Week 18.5.2020

<u>Day</u>	<u>10-10.30</u>	<u>Suggested English</u>	<u>Suggested Maths</u>	<u>Other curriculum</u>

Maths Comparing fractions: tenths and hundreds	Maths Equivalent fractions	Maths Simplifying fractions	Maths Compare fractions	Maths Challenge of the week	

YEAR 4

Maths

This week we would like you to have a go at the following:

- **BBC Bitesize** Daily Lessons: please see the above schedule for the skills being taught each day. The children have learned about fractions so they should be able to have a go at this work. There is a link to some support material they could also use on the Year 4 tab called 'fraction wall' and 'fraction organiser'.
- There is a weekly challenge for you to extend your learning, just like Diving Deeper!

As an extra maths challenge have a go at the [Maths Mission Sheet](#) which you will find as a link on our tab.

- Please continue to practise your times tables on [ttrockstars](#); there will be a daily **Wembley Arena Battle** from 10:00 til 10:30

English

This week we would like you to have a go at the following:

- **BBC Bitesize** daily lessons: please see the above schedule for the skills being taught each day. On Monday to Thursday, the children will be thinking about the difference between writing facts and opinions. There is some revision work on subordinating conjunctions and a writing task. The Friday lesson is a reading comprehension lesson.

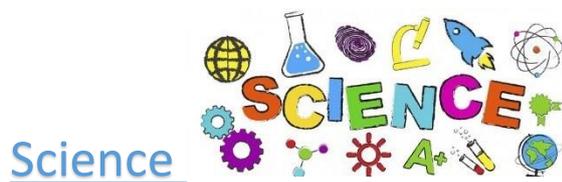

- Have a look at **Vocab Ninja** for daily words. What are the words? Can you look for their definitions? Can you put these words into written or verbal sentences?

<https://www.vocabularyninja.co.uk/word-of-the-day.html>

- Choose 5 of the **Year 3 and 4 spelling words** and play games to practise them. (Please look for the info sheet on the Year 4 tab of the website for our dice game and the words!)

YEAR 4

- **Phonics**: some of you probably need to refresh those phonics skills- here's a great link for you to try out some 'th' speedsound words:
<https://www.youtube.com/watch?v=alGONDrY76g>
- Reading is so important! Please log into **Bug Club** and read the books that have been set for you. We still don't have everyone logging in! If you have your own books that you are reading that's great- maybe you could email us a photo of you with your book.

This week we would like the children to have a go at some different **Science challenges** on Bill Nye's website. He is a Scientist who also has a YouTube channel full of amazing Science facts and experiments!

Here is the link:

<https://www.billnye.com/home-demos>

Have a go at the following experiments:

1. *Symmetry sampler*
2. *Burn rubber*

Have fun! If you have time you can have a go at some of the other experiments too.

YEAR 4

Computing and ICT

The BBC Bitesize activity is all about **using the Internet**, something I'm sure we've been doing a lot of over the last few weeks! But what happens when we do a search?

Music

The BBC bitesize music activity is all about listening to some **classical music** and thinking about the dynamics of the music.

PE

Have fun following these activities!

<https://www.youtube.com/user/thebodycoach1>

<https://www.nhs.uk/10-minute-shake-up/shake-ups>

Supermovers: <https://www.bbc.co.uk/teach/supermovers>

Real PE – link on the website tab for each year group

Fun challenge and Extra Learning

Combine some **science** and **art** this week by making some salt dough and using it to make a decorative hand shape. Follow the instructions on the following links:

<https://www.youtube.com/watch?v=L7sH9bj-fI0> for the salt dough recipe.

<https://www.youtube.com/watch?v=F3CkffAO3yw> for how to make a hand shaped bowl.
