### President's Message

Another year in the books for El Prado Men's Club and a great finish in the Club Championship. First and foremost, congratulations to Brian Dancses as our Club Champion, and all the individual winners that fought hard through two days to win their flight!

I must admit, having all those members together to celebrate the winners after Day 2 of the Club Championship was a great thing. We don't often get to have our club together in one place. Thanks to all of you who stuck around and I hope you enjoyed the raffle as well! Lots of great prizes and we can thank El Prado Golf Club's Kevin Knutson and Mark Masanovich for that. They both came through with some great options to be raffled.

As I stated during our gathering, we are always looking for new ideas and thoughts to make our club more fun and competitive! We will always listen to any ideas to make our club experience better! Please speak to ANY board member. Some of our current tournaments are a result of ideas from Kirk Dancses and others through the last couple of years. Our raffle was another idea from a club member last year, and I think it went well.

Our board, with a few new members, will meet for the first time in a couple of weeks to begin planning the new year and events, and next month you will see the new positions listed above. Rafael Becerra and Louis Washington will join an already dedicated board that gives up some of their free time to help make our club run as smooth as it does.

With that, I want to thank Mark Rief. Mark's knowledge of being a part of this club for many years, combined with his history of filling almost every single role on the board, is the proverbial glue that keeps it all running! For many of you that play tournaments, I am not sure you realize how hard they are to organize? There are special requests of tee times, playing groups and many last minute sign-ups. All of those factors, along with the normal tournament duties would not be possible without David Cox. His role cannot be understated and he never asks for a pat on the back for his efforts. I cannot forget the others that have stepped up, when we have needed them the most. Danny Ortiz is another one that has quietly increased our membership, by bringing in some people that might not have joined, without a call from Danny. Stepping in on a temporary basis when we were in a jam was Fred Wallace. Always steady in the position of handicap chairman! And last, but certainly not least is Rich Lizarraga. Rich is one of the busiest board members, who works full-time to help keep the course running, and still finds time to keep the funds in great shape, and ensure that all of you are paid after tournaments. Not an easy job with changes of address' that aren't always relayed to the club.

If you happen to run across any of these volunteers on the course or around town, give them a thumbs up and thank them for their hard work! They will never ask your thanks, so I am!

I look forward to seeing you all on the course at the skins games, or in the next tournament. Hit 'em straight!

Doug Benc, President

## Tournament News

Congratulations to Brian Dancses our 2019 El Prado Mens Club Champion, who shot a two day gross score total 67/72 139. Brian will get \$200 script for his efforts and is eligible and will be entered in the SCGA Tournament of Champions. Brian's entry fee (\$150) will be paid by El Prado Mens Club. Our low net winner Dave Oshiro and low senior net winner Jim Walsh are also eligible to represent EPMC in the SCGA Tournament of Champions net division flights at their own expense. Download your entry form on the SCGA website.

In our flight championships we had a field of 59 competitors in four flights vying for the top position in their respective divisions. Congratulations to all the Flight winners. "A" flight winner Bart Weber posted a nice (70/69 139) to take the top spot. "B" Flight champion is Louie Teneriello who shot a very nice (71/63 134), and "C" Flight champion was Dave Oshiro with a very exceptional (62/67 129), Our "D" Flight winner is Jim Walsh with another very exceptional round (69/62 131). Pressure, what pressure? Congratulations to all the winners.

I hope some of you had the chance to meet our new Head Golf Professional/Tournament Director, Art Guavara, from the El Prado staff. Art is now my contact for coordination of our tournaments. Art has quite a bit of experience and a lot of very good ideas for helping us to grow and get the best golf experience possible.

As usual, Kevin did the excellent work on the scoreboard both Saturday and Saturday. Thank you very much for all your hard work and dedication to our club. It is greatly appreciated.

The October tournament is a 2 man Best ball. Get a partner and sign up early.

Right now we are beginning to think about our next year tournament formats and I have already submitted the tentative dates to the course for reservations. The formats review will go on for the next couple of months so let us know if you had any formats you particularly liked or hated. We want to throw out the dogs and add the ones you would like to participate in. We would like to have formats which are postable. We have heard from a number of members that they like to play their own ball and not rely too much on big team events. Maybe we just need more Individual Low Net days. It seems the higher handicappers like the team events and the lower handicappers like the individual events. For the most part, 2 man team (pick partner) events seem to do OK but 4 man blind draws did not go so well. Anyway, you be the judge and tell us what you want and we will try to make it happen!

If you have any other new ideas or changes you would like to see, it is always the time to express your thoughts and they will be considered by the Board. Send an email or talk to any Board member.

Thank You for being a participating member!

Dave Cox, Tournament Director

## Top 25 - 2018-2019 \*\*FINAL\*\*

Congratulations to John Kramer, the player of the year, winning over \$1000. John always tells us to keep a close eye on the top money winners, we aim to oblige his request.

When you are talking to prospects about joining the club and they ask why it costs \$140, show them this chart and remind them that our tournaments have some of the highest payouts of any local SCGA club.

## GPS Updates

Since the nines on Butterfield Stage were reversed, many of you have noticed that the hole numbers on your GPS have not changed. The course has reached out GPS vendors Golf Buddy, Garmin, Skycaddie, Bushnell, Callaway, and Izzo; asking them to update their course database with the new hole numbers. All of them responded that updates are done or should be available shortly. So if you have a GPS that is showing the old nines, please update the courses using your computer. I just updated my Garmin, and as promised, the nines on Butterfield are now correct.

Mark Rief, Communications

## New Course Record

Our anonymous field reporter, the G.O.G., tells me that former course record holder Tom Clark recently set a new course record in another category, striking overhead powerlines four times in a row. We all know that only perfect shots hit the wires, so this is quite a feat. Congratulations Tom!
