**Commercial Fireproofing:
"Paint Protecting the Populous"**

This Presentation will address the characteristics of intumescent and cementitious fireproofing materials for use in commercial applications. Also covered will be testing requirements for certifying commercial fireproofing materials, how certifications are organized and how to specify & inspect fireproofing projects.

Speaker Bio:

Tim DeKorte has spent the last 41 years in the coatings industry. He has been with Carboline Co. for the last 18 years and currently works as the Western Region Engineering Sales Manager.

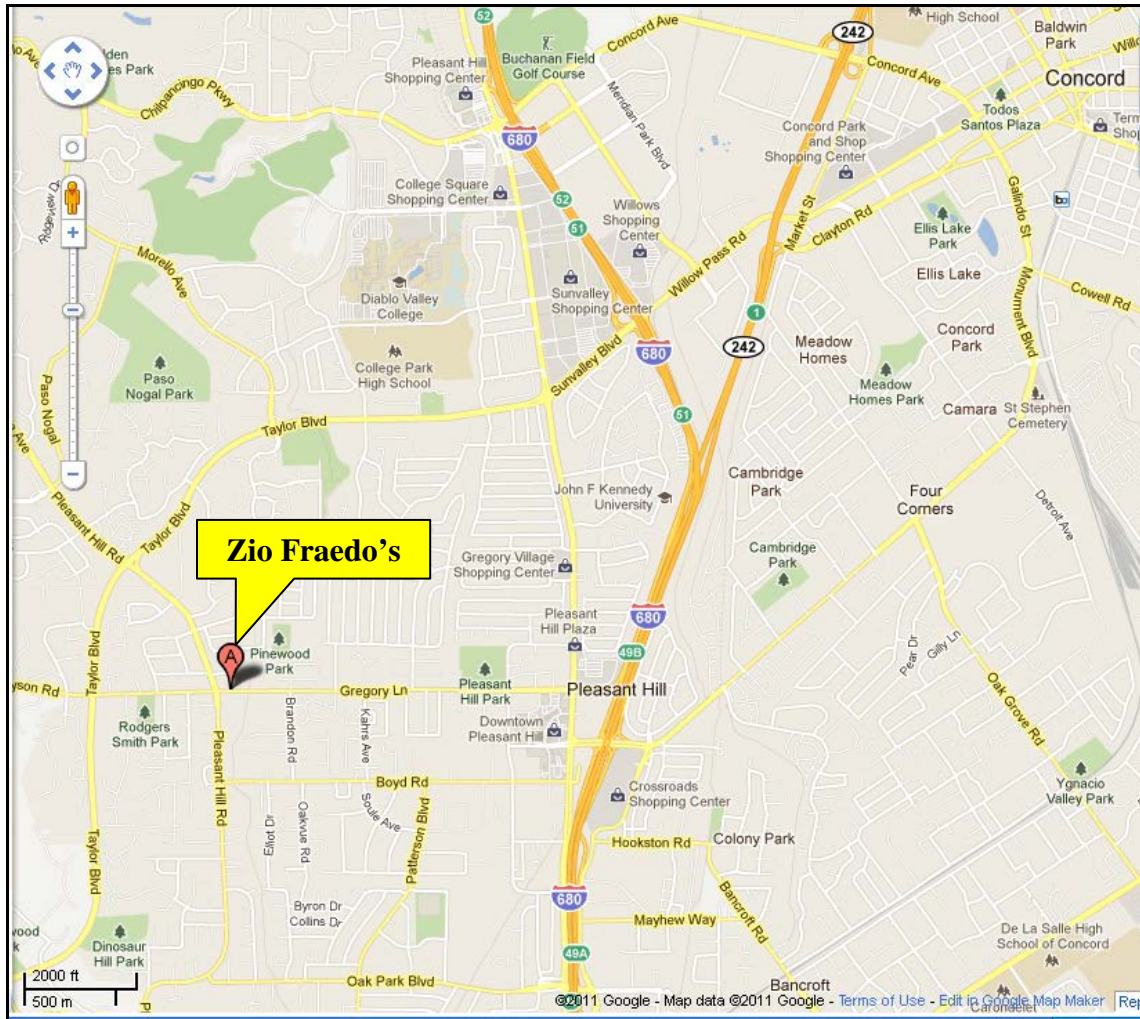

Tim is a NACE Level III Certified Inspector and is both a current member and former Trustee of the NACE San Joaquin Section.

Tim resides on the Central Coast of California where he and his wife just celebrated their 41st Wedding Anniversary. They have two grown children, ages 38 and 35, who also live and work on the Central Coast.
