BERKELEY COMMONS HOMEOWNERS ASSOCIATION THE BERKELEY SPOTLIGHT WINTER EDITION 2019 MERRY CHRISTMAS TO ALL!!

NEIGHBORHOOD UPDATES

As most of you have probably noticed, the work at the lake has yet to start. It has been delayed and is due to start after the Christmas holiday. We will keep you posted.

We have mentioned this many times in past newsletters, but we are still having issues with dogs pooping in neighbors' yards and on the sidewalk. Gwinnet county has a lease law AND you are required to pick up after your pets. Please be a respectful neighbor and don't leave your mess behind.

If you are traveling for the holidays, please let our police officers know so they can pay extra attention while you are away. You can find the link on our website myfairlake.com or you can email Xavier Biggers at Xavier.biggers@gwinnettcountry.com

We have lost another dear neighbor recently who meant so much to so many. Sue Perry, we will miss your smile, your humor, your thoughtfulness and your love. You served our country in the US Army for ten years and you served our neighborhood for many years after that. Our hearts are heavy because they are full of memories of you. Our love goes out to Don and Lois Douglas!

THANKSGIVING CHARITY UPDATE

A big shout out to all of our neighbors who donated money and food for our charity drive for Sheltering Arms. Debbie Riley who was spearheading this event was thrilled with the contributions! Below are the boxes of food she made up for all the families AND she had to make several trips to get all the food delivered. Fantastic effort!!
