While there are many picture books available, there are always a few classics that are a must read! *The Mitten* by Jan Brett. When Nicki drops his white mitten in the snow, he goes on without realizing that it is missing. One by one, woodland animals find the mitten and crawl in; first a curious mole, then a rabbit, a badger and others, each one larger than the last. Finally, a big brown bear is followed in by a tiny brown mouse, and what happens next makes a wonderfully funny climax.

Or how about *Green Eggs and Ham* by Dr. Seuss. Did you know, Dr. Seuss accepted a bet that he could not write a book using only 50 words!

Other classics include *If You Give a Mouse a Cookie*, *The Little Engine that Could* and *The Hungry Caterpillar*. Stop by the library to check out a great selection of books for all ages.

UPCOMING MUSIC

Walk the Moon- *What if Nothing*
What If Nothing's first single, "One Foot," marries the big-tent vibe of "Shut Up And Dance" to a slinky rhythm and Petricca's strident vocals. Petricca notes that it's a thematically appropriate introduction to where Walk the Moon is at in 2017: "One Foot' really sums up the theme of the whole record: Staring out into the unknown, being faced with uncertainty and what could be certain failure, but deciding to move forward and take that first step anyway," he says.

Kelly Clarkson- *Meaning of Life*
 Kelly Clarkson unveiled a celebratory new song, "Meaning of Life," the title track from her forthcoming album, out October 27th. The song begins with stripped down production and a despondent edge as Clarkson tends to a broken heart over punchy drums and an ominous bass line. But with each colossal chorus, Clarkson injects "Meaning of Life" with more soul. Along with the studio version of "Meaning of Life," Clarkson also shared a striking live performance of the track, which she recorded at the War Memorial Auditorium in Nashville as part of her ongoing "Nashville Sessions" series.

Taylor Swift-*Reputation*
 Taylor Swift is the queen of causing the most buzz while releasing as few actual details as possible. While the old Taylor may be dead, this much about Swift continues to be true. With the "Blank Space" singer's sixth studio album titled *Reputation* due out, the Taylor talk is in full swing – and fans are eager to hear what she has in store with the next record. Although there's plenty of details that Swifties are still awaiting, here's what we do know about *Reputation* and everything laying the foundation for this era of new Taylor.

Lee Brice-*Lee Brice*
 Lee unleashes the self-titled, self-produced fourth LP on Music Row flagship label Curb Records. The album's first single, "Boy" – a charming tribute to his sons, who also appear in its endearing music video – is one of the album's 15 striking tracks that take the listener on journeys to church, school, home and out on a Saturday night.
 "So this album I wanted to be a real organic thing: I play 99% of the lead guitar, my band's on it – and there's even a Theremin, which I had to learn to play. When I started, I wanted this record to be groovy, stripped down to the message and the feel."

UPCOMING MOVIE RELEASES

The Glass Castle
 A young girl comes of age in a dysfunctional family of nonconformist nomads with a mother who's an eccentric artist and an alcoholic father who would stir the children's imagination with hope as a distraction to their poverty.

Atomic Blonde
 The crown jewel of Her Majesty's Secret Intelligence Service, Agent Lorraine Broughton is equal parts spy-craft, sensuality and savagery, willing to deploy any of her skills to stay alive on her impossible mission. Sent alone into Berlin to deliver a priceless dossier out of the destabilized city, she partners with embedded station chief

David Percival to navigate her way through the deadliest game of spies.

Hitman's Bodyguard
 With his reputation in tatters after a painfully unsuccessful delivery of a distinguished Japanese client, former triple-A executive protection agent, Michael Bryce, two long years after the disgraceful incident, is now reduced to a mere second-class bodyguard for hire. Under those circumstances, Bryce would do anything to prove his worth once again, and as a result, it won't be long before he accepts an offer from Interpol to escort the renowned international assassin Darius Kincaid from Manchester to the Hague. The task seems simple: Bryce only needs to transport the contract killer from point A to point B, nevertheless, Kincaid, as the only one with the guts and enough hard evidence to testify against a tyrannical Belarusian dictator, is an obvious target, while the trip to the Netherlands is long and hazardous. Without a doubt, this a race against the clock as the mismatched duo will have to put aside their grudges, in a non-stop concerto for bullets.

UPCOMING ADULT FICTION

The Whispering Room

by Dean Koontz

Jane Hawk—fiction's most relentless, resourceful, stunning new heroine—continues her battle against a murderous conspiracy in the riveting sequel to *The Silent Corner*. "No time to delay. Do what you were born to do. Fame will be yours when you do this." These are the words that ring in the mind of mild-mannered, beloved schoolteacher Cora Gundersun—just before she takes her own life, and many others', in a shocking act of carnage. When the disturbing contents of her secret journal are discovered, it seems certain that she must have been insane. But Jane Hawk knows better. In the wake of her husband's inexplicable suicide—and the equally mysterious deaths of scores of other exemplary individuals—Jane picks up the trail of a secret cabal of powerful players who think themselves above the law and beyond punishment. But these ruthless people bent on hijacking America's future for their own monstrous ends never banked on a highly trained FBI agent willing to go rogue—and become the nation's most wanted fugitive—in order to derail their insidious plans to gain absolute power with a terrifying technological breakthrough. Driven by love for her lost husband and by fear for the five-year-old son she has sent into hiding, Jane Hawk has become an unstoppable predator. Those she is hunting will have nowhere to run when her shadow falls across them.

UPCOMING YOUNG ADULT

The Hush

by Skye Melki-Wegner

Chester is on the road, searching every town for clues about his father and why he disappeared. But when he's caught accidentally – and illegally – connecting with the Song as he plays his beloved fiddle, Chester is sentenced to death. Only a licensed Songshaper can bend music to their will. The axe is about to fall . . . But there is someone else watching Chester. Someone who needs his special talents. Who can use him for their own ends. And who knows the secrets of The Hush, where there is no music, only deadly Echoes who will steal your soul. Susannah is that someone. The young captain of the infamous Nightfall Gang, Susannah has plans for Chester. Finally, she will have her revenge.

UPCOMING BEGINNER FICTION

Nothing Rhymes with Orange

by Adam Rex

We all know nothing rhymes with orange. But how does that make Orange feel? Well, left out! When a parade of fruit gets together to sing a song about how wonderful they are—and the song happens to rhyme—Orange can't help but feel like it's impossible for him to ever fit in. But when one particularly intuitive Apple notices how Orange is feeling, the entire English language begins to become a bit more inclusive. Beloved author-illustrator Adam Rex has created a hilarious yet poignant parable about feeling left out, celebrating difference, and the irrefutable fact that nothing rhymes with orange.

1000 Book Read Program

For those who are too young to participate in the Summer Reading Program, we also offer the 1000 Book Read Program. The goal is read one book per day. This helps to develop language skills, vocabulary and also can prepare your children to enter kindergarten.

The staff will keep track of your reading using a book chart. If you have questions about the program, please contact Sherry Helmuth, Program Coordinator at 453-2341. Information sheets are available at the circulation desk.

We would love to see you at the Pigeon District Library. Come take a look at our selection of books, references and movie rentals that are available to the community.
