

Political Action for Candidate Election (PACE) is the political arm of the National Association of Social Workers, Florida Chapter. As a political action committee, PACE endorses and financially contributes to federal candidates running for local and state races

NASW-FL PACE needs your voice to help put our concerns into action!

The 2018 election is the most important in modern time—there are 171 races which will impact Florida for the foreseeable future. We'll vote for 120 State Representatives, 20 State Senators, 27 Congressional seats, one U.S. Senator, two cabinet offices and one Governor. Making a contribution to PACE allows us to financially endorse candidates who support NASW's policy agenda. Whether you're an active volunteer or not able to be as involved as you'd like, your contribution will speak for you—any amount is appreciated. Making a contribution is easier than ever—just use the form below.
