

The Town of Sedalia would like to make residents aware that the garbage and recycle collection service provider is changing to Freedom Junk Removal Inc, and each household should receive a notice from the company by the end of June. Residents will be informed of the process and the plans to try and make this transition as smooth as possible, since old carts will need to be picked up and new carts will need to be delivered, almost simultaneously. Once you receive your new carts from Freedom, please begin utilizing them instead of the Republic carts. You will also receive a new collection schedule dated through the month of June 2026. Carts will be emptied on Mondays now instead of Tuesdays. Please keep an eye out for this memo in the mail. If you do not receive this information by June 30th, it's likely because we do not have your mailing address on file in the towns directory. We ask that you please contact the Sedalia Town Hall so your contact information can be added or updated. Thank you for your cooperation.
