

## Parks and Recreation Board Meeting Minutes 8/24/16

Present: Bob Lopatofsky, Jen Long, Tom Roberts, Buzz Boomer. Absent: Patti Walker

Bob Lopatofsky called the meeting to order at 7:05pm. There will be no minutes submitted for the July meeting.

The revised Building Policy has been submitted to the supervisors and has not yet received approval.

The restroom facility is progressing nicely. The board considered putting a park map on the side of the building. Further discussion is needed, but was considered a good idea.

The bid packet for the Multi-Purpose Court Project is being revised by Tom McLane and will be submitted correctly. He will also contact DCNR to ask about the surface changes being requested.

The current grant from EMHR is considered closed. All money has been spent. Proper documentation is all that is required. The township secretary was on vacation, but will complete upon her return.

Ideas are still being considered for the bridge crossing the stream behind the park.

The No Smoking signs have arrived and will be installed at the park.

The re-design of the Parks website tab on the township website will be removed from the agenda and added again sometime during the winter.

The land purchase is moving forward, with the land being perk tested because of the subdivide.

The new daycare facility will open September 8th.

The meeting was adjourned at 7:30pm.

Next meeting is September 28th at 7:00 pm in the township building.
