

All Night Long

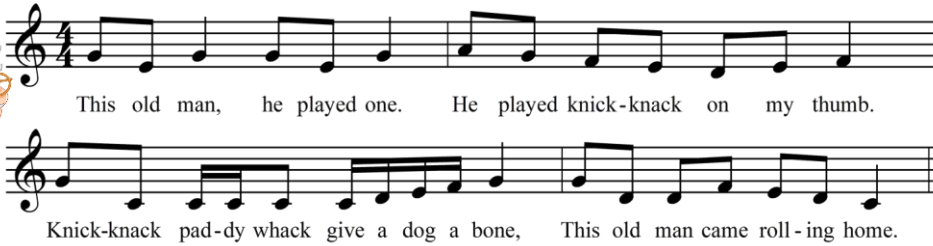

If anyone asks you...who wrote this song...
Tell 'em it was me...and I sing it all night long...

This Old Man

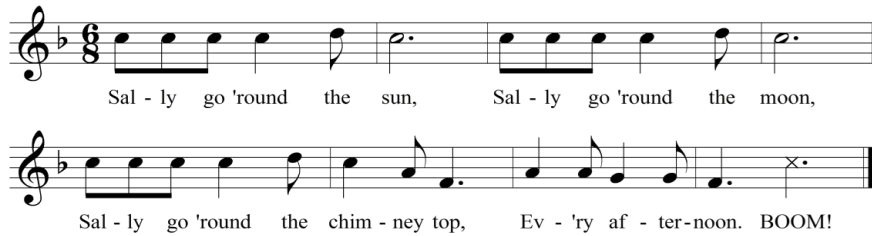

English Folk Song

Hippety hop to bed.
I'd rather stay up instead.
But when mother says "must,"
There is nothing but "Just...
Go hippety hop to bed!"

Teagan's Lullaby

Fred Penner

Rock me Mom, hold me Dad, we're a family.
I'll try to take my time with you and slowly let you see...
that I'm a child with feelings too.
Late at night when I cry, it means "I love you."

Dance to Kate Kuper's

Go - Go - Stop!

Mary Ellen Pinzino

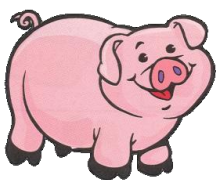

Additional verses: bridge; train; snow plow; geese; etc

Five little ladies going for a walk.
Five little ladies stopping for a talk.
Along came five little gentlemen,
They all danced together
And then there were ten.

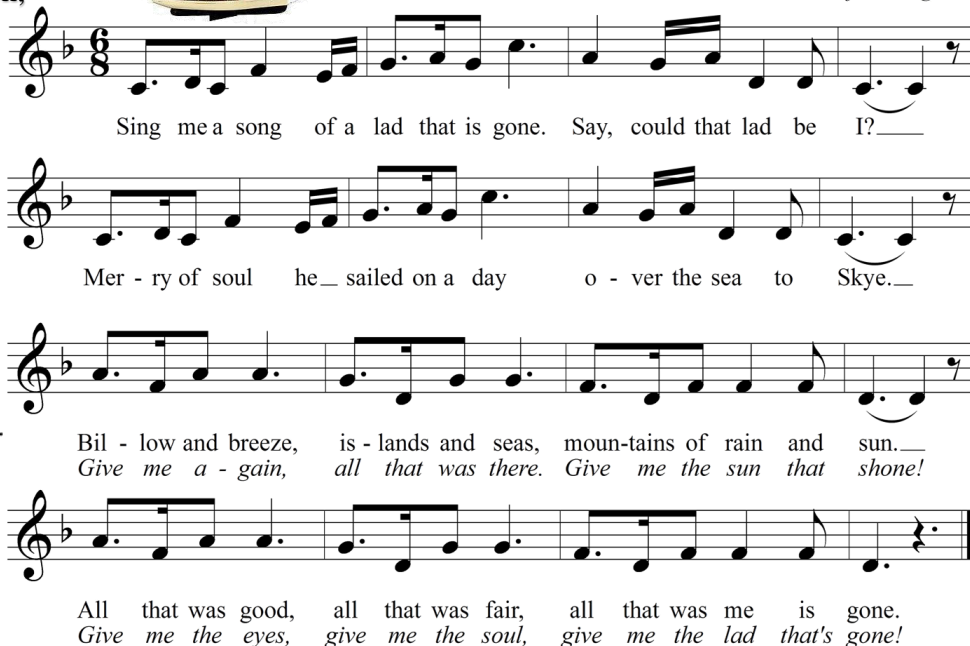

To market, to market to buy a fat pig.
Home again, home again, jiggy jig.
To market, to market to buy a fat hog.
Home again, home again, jiggy jog.
To market, to market to buy a plum bun.
Home again, home again, market is done.

My Bonnie Lies Over the Ocean

Traditional

There was a crooked man
and he went a crooked mile.
He found a crooked sixpence
beside a crooked stile.
He bought a crooked cat
which caught a crooked mouse,
And they all lived together
in a little crooked house.

Here's a nest for owl.

Here's a hive for bee.

Here's a hole for rabbit..

And here's a house for me.

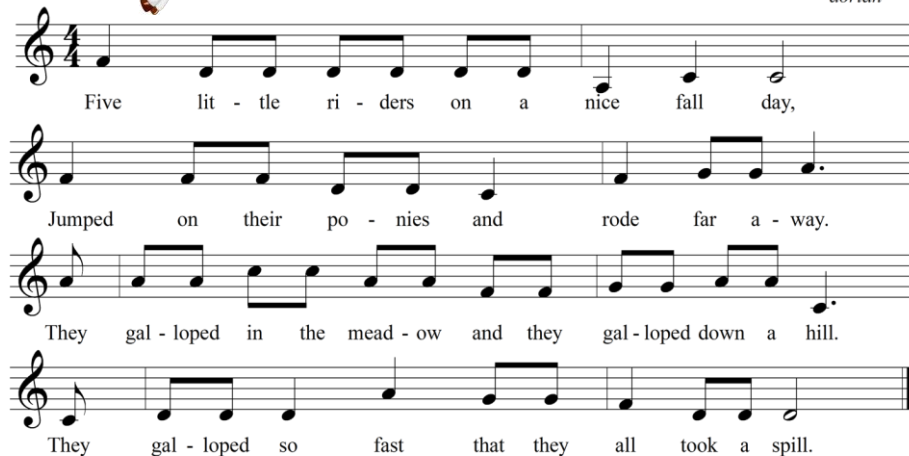

Let's Go to the Woods

"Let's go to the woods," says this little pig.
"What will we do there?" says this little pg.
"Look for my mother," says this little pig.
"What will we do with her?" says this little pig.
"Kiss her, kiss her, kiss her!" says this little pig.

My Ship Sailed from China

Who's Here?

THE AIRPLANE RIDE John Feierabend

A man went up in an airplane. (Alright!)
But the airplane didn't have an engine. (Oh no!)
But the man had a parachute. (Alright!)
But the parachute wouldn't open (Oh no!)
But there was a haystack under him. (Alright!)
But there was a pitchfork in the haystack. (Oh no!)
But he missed the pitchfork. (Alright!)
But he missed the haystack too! (Oh no!)
But he woke up in his nice warm bed...
because it was all a dream! (Alright!)
