February is at an end and we are now mailing you the 2016 Roster Books. If you haven't as yet paid your dues there is still time to get the roster. Everyone that pays dues will get a copy of the Roster as soon as we receive the payment.

In February we hosted one of our most successful dinners in a while. The dinner was held at the Bonnie Brae Tavern on University Blvd. I'm sure that anyone who might have worked District Three remembers the Bonnie Brae. The owners opened the doors on a day they are normally closed and we had the restaurant all to ourselves. We had many more members than usual for dinner and it was good to be able to see and visit with so many of you.

Mike Hesse was present at the dinner. He has been hired by the PPA to represent them at the City Council. Mike reported that he wants to keep us informed of any information that is useful for retired officers. He also stated that there might be ways we could assist in making the City more responsive to the needs of the active and retired officers. He pledged to keep us informed in the future. One more reason to come to dinner, I hope.

The next dinner will be hosted by the Police Museum. It will be held at the Applewood Golf Club. The dinner is free but you have to make your reservation through the Museum. Space is limited so don't delay. The Museum will have many artifacts at the dinner. This is a unique opportunity to take a walk down memory lane and help the Museum identify any of the unknown officers in the photos.

As always, we are trying to be as responsive to the needs of the retired member. Suggestions are always solicited. See you at the next dinner.

Please remember we have changed our Mailing Address to:
