BE GREEN!!!

On average, American households receive approximately 69 pounds of unwanted mail each year. That's about the weight of a 10 year old! Put an end to junk mail and you'll be saving more than trees: you'll be saving water, fuel, energy and other resources used in producing and mailing unwanted mailers and catalogs. Simply contact the company. Find a phone number and give them a courtesy call requesting to be removed from future mailings. Business prefer not to waste money and should appreciate your notifying them.

For more information or reservations, you can call: (518) 393-4169, email: dslcny@nybiz.rr.com, fax: (518) 393-4525, or go to our web site: www.dslcny.org. You can now submit reservations over the internet using our secure registration form using your credit card or Electronic Funds Transfer (EFT) from your checking account.
