KIWANIS MEETING OF April 4th, 2018

We had nine members and one quest attend Monday's meeting. Members were Anne, Joe, Vince, Ben, Bob F, Bob R, Dal,

Rick and Dennis. Lunch consisted of salad, Mac & Cheese, Corn beef sliders, and an Apple- Blueberry cake. We sang two songs: Take me out to the ball game plus Happy Birthday to Emmett who was not in attendance. Only one happy dollar from Joe who was in San Antonio Saturday to see a Michigan victory putting them in the finals Monday night.

Sunday is our annual Pancake and Porkie fund raiser from 8:00 to 11:30. Key club members from Southwest and Preble will be there to help out. Please distribute your tickets and if you can, show up at ST Brendan's and help.

Our speaker this week was Mack Wilkerson an Environmental Scientist with NRB which is located in Howard. They primarily do soil and ground water testing and monitoring in northern Wisconsin. Mack was here to talk about his groups summer music festival in Door County July 26 thru 28 called the Burning Cow. This is the third year of the festival. The event has grown 50% in attendance each year. They are looking to building a relationship with Kiwanis clubs in the area to help promote the event and possibly use it as a fund raising event in future years.
