Greetings School Leaders:

We've included you as a district eligible for the [Wellmark School Behavioral Health Grant](#). Rural School Advocates of Iowa (RSAI) Corporate Sponsor, Classroom Clinic, encouraged us to share this information with you. This multi-year continuing grant provides \$5 million statewide to reimburse eligible school districts for:

- Mental/behavioral health care professional employed by or dedicated to the school (part-time or full-time) and available to provide treatment in the school for all students in need.
- Technology procured by the school that enables telehealth access to mental/behavioral health services for students.
- Dedicated administrative staff employed by the school to coordinate onsite mental/behavioral therapy sessions.

View the [WHO-TV 13 Interview](#) from May 8th regarding the grant (approx. 5 minutes).

The experts at [Classroom Clinic](#) have scheduled two webinars for you to learn more. Please invite the staff member(s) in your district who would most benefit from learning about this opportunity. [Register Here](#) for either

informational webinar: Monday, May 12 at 11:00 or Wednesday, May 14 at 12:30.

Thanks for all you do for Iowa students!  
Margaret
