Jalissa is a lifelong local with a Bachelor's Degree in Criminal Justice from Lake Superior State University. She has always had a strong interest in the Criminal Justice and Law Enforcement field, with a special passion for advocating for children. Her time spent as a volunteer at the IM SAFE Child Advocacy Center helped shape that passion into a clear purpose. In her free time, Jalissa enjoys spending time with her fiancé, their three dogs (Milo, Cleo, and Novi), and three cats (Willow, Shadow, and Pio). She also loves going on adventures, arts and crafts, and making the most of everyday moments with friends and family.
