<b>SHOP</b>	<b>DONATE</b>	<b>VOLUNTEER</b>
Help us fund the building of homes in our community by buying our new and gently used construction materials, hardware, furniture, housewares, and more!	Drop off or schedule a pick up of your gently used items! All donations are tax deductible and help us further our mission of building homes, community, and hope in Knox county!	Give some of your time to Habitat! From working on a build site to helping at the ReStore with picking up donations and prepping them for sale, there is a place for you here!

The revenue we make from the ReStore along with the mortgage payments from our partner families help us to continue to fund the building of simple, decent, affordable homes in Knox county.

*Habitat for Humanity is a non-profit organization working to provide simple, decent, and affordable housing in partnership with deserving families in need.*
