DESCRIPTION: Great looking and performing Wing recurve. The thunderbird is one of the best shooting vintage recurves ever designed. This one is from the AMF era. It has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. Two (2) filled holes on the side of the riser (see pic). No chips, dings or cracks. A few faint superficial stress lines; no stress cracks or crazing. A few scratches and scuffs here and there. Decals are in good shape. Overall, this is a really nice bow in excellent condition for its age.
