An Evening at Sea - Fight Oar Die Dinner Gala

All,

I would like to cordially invite you to “An Evening at Sea”, the Fight Oar Die annual dinner gala held at the University of Denver. Come enjoy a wonderful night of fun and help welcome the new FOD all Veteran ocean rowing team as they begin their preparations to race in the Talisker Whisky Atlantic Challenge in 2019. Meet members of the Sturm Specialty of Military Psychology, and our newest strategic partner, The Marcus Institute for Brain Health as we discuss the reasons for this nonprofit and what we’re doing to positively effect the lives of our Veteran Community.

Go to the link, sign up, and see you there!
