Dear Parents and Carers

### PE Kits for Cross Country PE Lessons

Years 5 and 6 will be focusing on cross country running during one of their PE sessions after half term. As it is the season of increasingly colder and wetter weather we would like the children to bring items such as a thin jacket, gloves and outdoor trainers in addition to their usual outdoor PE kit of t-shirt, jogging bottoms and a jumper. We will be going out in most weather conditions so would like the children to be prepared!

The children's cross country trainers are likely to get muddy and wet, as they will be running on the field, so I would be grateful if they could bring in an second pair for their other PE session. Could they please bring a carrier bag on cross country days to take their muddy trainers home in. Year 6 cross country will be on a Wednesday and Year 5 on a Thursday.

Could I please remind you that on the days that the children wear PE kit to school they must wear school PE kit. If they do not have a school PE hoody could they please wear a school jumper or cardigan.

Thank you for your continued support.

Yours sincerely

*J. Stevens*
